Follow **Previous Customer** and **New Customer** Instructions on the webpage.

New Customers that do not have a driver's License or SS No can search by Personal Information and can type in "12345" for their driver's license number.

New Customers will not be found and the following screen will appear:

The screenshot shows a web browser window displaying the DEEP website's search interface. The page is titled "Search by Conservation ID" and "Search by Personal Information". A red error message reads: "You were not found in our records. Please try using each of the other ID Number types before registering as a new customer." Below the error message, there are input fields for "Identity Type" (set to "Social Security #"), "Last Name" (set to "Waterman"), "Date of Birth" (set to "October 01 1950"), and "Season" (set to "2013"). There are "Next" and "CANCEL" buttons. A callout box with a red arrow points to a button that says "SELECT HERE TO RECEIVE YOUR CONSERVATION ID ONLY FOR AN EDUCATION COURSE REGISTRATION". Another callout box with a white background and black border says "CLICK THIS BOX To Create Conservation ID". The footer of the page includes "Online Sportsmen Licensing: Home | FAQ | Support", "Copyright © 2013 Active Inc., all rights reserved 2.9.8.16682", and "powered by active".
